

Work with greater ease and value.

WORK EZ™ Quick-Attach or Basic Pin-On Front-End Loaders

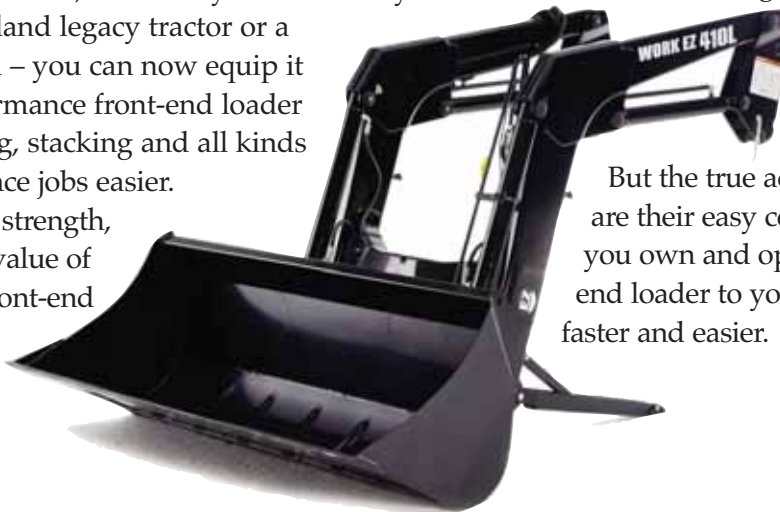

Do more work, faster and easier.

No matter what make, model or year of tractor you own – a New Holland legacy tractor or a competitive brand – you can now equip it with a high-performance front-end loader that makes loading, stacking and all kinds of land-maintenance jobs easier.

Introducing the strength, performance and value of new Work EZ™ front-end loaders with the

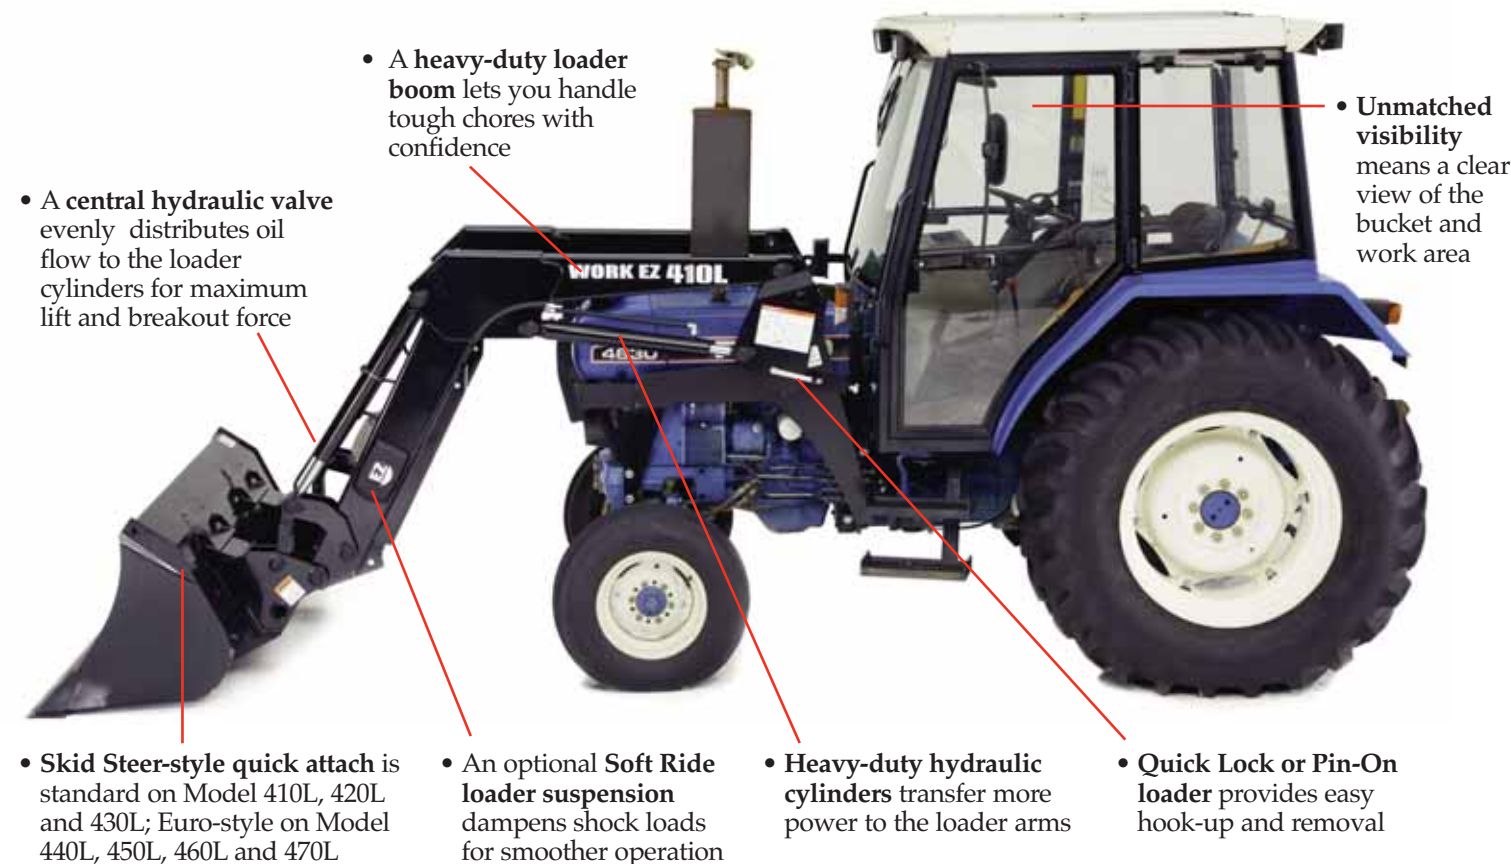

Quick-Attach system you expect. These are rugged, durable loaders offering lift capacities ranging from 2,500 lbs. to 5,250 lbs. and a maximum lift height of more than 15 feet, depending on the model.

But the true advantages of Work EZ loaders are their easy configuration for most tractors you own and operate. Add a Work EZ front-end loader to your tractor and do more work, faster and easier.

A WORK EZ loader helps you do more, every day.

Work EZ loaders are built with the features you need for top productivity:
